Kenyans, Who are We? : Reflections on the Meaning of National Identity and Nationalism / Bethwell Ogot

Kisumu, Kenya: Anyange Press Ltd, 2012

iii. 168p. ; 21cm.

\$ 32.00/ PB

236 gm.

In this book, Prof. Ogot shows how the early nationalist ideology which attempted to unite diverse Kenya people under the banner of a single national ideal was killed. National issues and problems of national identity continued to receive little attention. And the rejection of the concept of nationhood by the political ethnic elite, the author concludes, has unquestionably influenced the way Kenyans define themselves.
