Welcome to Dakuwaku, a laidback town on a tropical isle where life is as ordinary as can be—until the day Dr Jeeves Quakebottom Carling descends from the sky, and along with him descends panic and pandemonium the likes of which Dakuwaku has not seen since the day Perchuppa took Moottoo Samee's Goat-with-the-Head-of-a-Village-Wench in holy matrimony. With a vibrant cast of MadRappers, Rajas, Sars, Gods, Goddesses, Kings, Queens, (unhinged) Alchemists, (pseudo) Anthropologists, (pseudo) Consultants, and, of course, sexy goats, Beejoo Lala delivers the most epic version of the true history of Dakuwaku.
