Of Dreams and Spaces is a collection of five years of thoughts and stories nurtured by designing, building and running village schools in Takéo, Cambodia. It is a conversation about differences - in values and cultures, of needs and visions, between "us" and "them" - and a conversation about connections. Through the many faces, voices, touches and traces encountered in Cambodia, Project Little Dream has made their way from indifference and unfamiliarity to similarity and family. Today, over five hundred children are studying English in four schools: in Prey Run Village, Khna Rong Village, Thon Mun Village and Thnouth Village. This book is a narrative journey woven by their experiences
