History

Angkor's Temples in the Modern Era : War, Pride, and Tourist Dollars / John Burgess
Bangkok, Thailand: River Books Co., Ltd, 2021
268p.
9786164510463
USD 35.00 / PB
732gm.

A comprehensive examination of Angkor's last 120 years. Over 180 unusual and little-known photographs. Accessible scholarly treatment of one of the world's most iconic sites.

Insights into Angkor's importance for the Khmer people. Insightful reflections on Angkor's transformation as a tourist destination. John Burgess masterfully brings to life the modern history of Cambodia's fabled Angkor temples, from their discovery by French explorers in the mid-19th century, through the decades of French colonialism, to the tragic wars and genocide in the latter part of the 20th century.

He explains how the temples miraculously survive while so much of Cambodia has been lost or changed forever... An invaluable and riveting book about one of the greatest man-made wonders of the world. -Jon Swain, author of River of Time: A Memoir of Vietnam and Cambodia John Burgess, a seasoned journalist who has visited Cambodia many times since 1969, has written five absorbing books about Angkorian civilisation, including two finely imagined novels.

His latest, Angkor's Temples in the Modern Era, is deftly written, sumptuously illustrated, and highly recommended. - David Chandler, author of A History of Cambodia John Burgess brings his writing skills

and expert knowledge to the story of Angkor's relationship with the modern world. More than a thousand years ago, the Khmer civilization arose in what is now Cambodia.

Its famous sandstone temples, such as Angkor Wat, are, except for the Cambodian people themselves, that civilization's sole survivors. Yet, despite many international attempts to protect the temples, the ravages of the 20th and 21st centuries wars, tourism, greed, politics, and plunder are a far greater a threat than the jungle ever was. Burgess' book is a must-read.

Responsible Travel Guide Cambodia provides tourists with the resources they need to have an enjoyable and meaningful vacation that helps local people. Arranged by city, the selection of hotels offers options to suit everyone's comfort preferences and budget. These hotels support local humanitarian activities, protect children from sex-tourism, have environmental policies, are locally-owned, treat their staff well, and train or employ disadvantaged youth. This guidebook includes restaurants that are training programs for former street children or are helping in other ways - such as supporting the arts. It offers a wonderful section of restaurants ranging from gourmet to vegetarian and from coffee shops to traditional Cambodian cuisine.
