Penang: The Fourth Presidency of India presents an in-depth and compelling narrative of a fascinating story. The first of a three-volume series, the focus here is on the role shipbuilding played, the leading political personalities and two historic buildings that highlight the struggles, successes and failures of the early settlement.

Law

The Monarchy and the Constitution in Malaysia / Abdul Aziz Bari
Kuala Lumpur: Institute for Democracy and Economic Affairs (IDEAS),
2013

xii. 390p. ; 21cm.

ISBN-13: 9789671009451

\$ 25.00/ PB

494 gm.

This book is a must read for those interested in the working of constitutional democracy in Malaysia for several reasons. Firstly, it deals with the legal issues in a comprehensive way. Unlike most law books that are opaque for lay readers, it is accessible even for non-lawyers due to the lucid way it deals with the subject. Secondly, it is the only work that deals with the legitimacy of the position and roles of the Malaysian monarchy in modern democracy – something that appeals not only to Malaysian but also to those from countries that still retain the institution. Originally a doctoral thesis, the book takes a look at the history and development of the monarchy in Malaysia, which provide the moral bases for its constitutional roles. This is essentially what the provisions in the current constitution are all about.

Even though the book deals mainly with the justifications for the continuance of the monarchy institution, it is nonetheless relevant for present-day issues and controversies as those justifications are basically the answers for those questions. These are also the standards by which to judge whether the actions – or inactions – taken by the rulers were justifiable. As such, even though the book does not deal with the more recent crises such as the Perak political crisis in 2009, one may find answers alluded to in the relevant chapters. This is one of the reasons why this book will continue to be relevant in years to come.

KL Noir : Every City Has a Dark Side / Amir Muhammad (Editor)

Petaling Jaya: Fixi Novo, 2013

270p. ; 19cm.

ISBN-13: 9789670374239

\$ 10.00 / PB

262 gm.

KL NOIR: RED is the first of 4 volumes about the city's dark side. There are 14 short stories and one essay about the seedy, the sinister and sometimes the spooky. You will find murder, drug-dealing, kidnapping, sexual depravity, prostitution, celebrity secrets, suicides, academic rivalry, gangsters, police brutality, cannibalism, black magic, creepy rituals, political corruption and even busking. It's all totally fictional. Well, maybe the cannibalism is.
