We all know about the war and its immeasurable aftermath, so in the world, someone knew there's no place like along of 20 years in the Vietnam's war. Among over 30 years was back so far, but it was leaving the grave loss. Millions of people were deprived of life, millions of hectares of forests and rice field paddies were devastated, to millions of victims have suffered great misery due to congenital deformity. Those pitiful plights have been resulted from 80 millions of Agent Orange / Dioxin spread over South Vietnam by the US Army.

The book "The Agent Orange and Unfortunate Life" describes tremendous misfortunes that have been happening to innocent victims until right now. Those authentic images have deeply touched many compatriots and foreigners who are offering to provide relief while organizations are raising their voices to claim justice for these miserable lives.
