Development and Dominion: Indigenous Peoples of Cambodia, Vietnam and Laos /
Frederic Bourdier (Edited)
Bangkok: White Lotus Co. Ltd., 2009
xxxii. 446p. ; 21cm.
ISBN-13: 9789744801524
\$ 42.00

Development and Dominion: Indigenous Peoples of Cambodia, Vietnam and Laos deals with prevailing development ideologies and their impacts on indigenous societies with a particular focus on Cambodia, Laos and the central highlands of Vietnam. It reinforces the idea that development, as it is conceptualized and implemented, radically undermines local communities' ability to control the parameters of inevitable social and material changes. The more development projects choose new objectives and operating models the more the rhetoric and practices remain the same.

Laos is a Land of Festivals. Every village, every temple, and every ethnic minority not only holds its own special festivals but also joins the wider Lao community in celebrating the national ones as well. This book explores the most important festivals of Laos and offers a rare and fascinating glimpse into the spiritual and communal life of the Lao people.
