Tort Cases in Malaysia (A Compilation with Supplementary Notes) is a compilation of latest cases relating to the various topics in the Law of Torts. In addition, the book contains supplementary notes on the applicability of the principles of law involved in earlier and subsequent cases. The cases have been summarized for easy reference to assist students in understanding the principles of law in a particular topic in the Law of Torts. The book is designed to provide students with a useful first reading of cases and also as a revising text.
