The Story of Angkor / Jame DiBiasio

Silkworm Books, Thailand 2013

viii. 128p. ; 21cm.

9786162150517

\$ 18.00 / PB

182 gm.

The lost civilization of Angkor left no written records, and only its ancient stones can tell the tale. The Story of Angkor exposes the history of this oncemighty Southeast Asian empire through the secrets hidden inside the temples and buildings located around the city of Siem Reap. It guides the reader into Angkor's most spectacular monuments and the kings who commissioned them.

The Classical Angkor period, from its founding in 802 AD by Jayavarman II, to its mysterious demise, produced hundreds of temples, reservoirs, and other monuments. But why were they built? What did they represent? The Story of Angkor answers these questions. Through an exploration of ancient culture, religion, trade, warfare, ecology, and politics, it gives meaning to the mysterious faces of the Bayon and decodes the beautiful but violent bas-reliefs of Angkor Wat. It also presents Cambodia's early history and Angkor Wat's "discovery" by nineteenth-century explorers.

Written in a concise, accessible style, with photos and maps, The Story of Angkor presents an in-depth analysis of the ancient Angkor civilization that will appeal to both readers and travelers.

Through the pens and lenses of local journalists, this book digs into some of the connections – in stories looking at the impact of the 2nd Thai-Lao Friendship Bridge, the dispute over the Preah Vihear temple, illegal drugs at the Thai-Cambodian border, apsara dancing in Cambodia and Vietnam, and how climate change and extreme weather patterns are playing out in Laos and Cambodia.

Lee Kuan Yew turns 90 this year and to celebrate his birthday, two of Singapore's leading newspapers, The Straits Times and Lianhe Zaobao, have put together this unique collection of photographs in a pictorial book capturing his public and private life.

Lee Kuan Yew: A Life in Pictures tells the story of the man who transformed an improbable country into the thriving metropolis it is now. Selected from over 35,000 photographs from a wide range of sources, including Lee's personal albums, it also captures private and loving moments between Lee and his wife and life-long partner Kwa Geok Choo, and the family they raised together.
