Aspects of Education Law (4th edition) / I.J. Oosthuizen
Van Schaik Publishers, South Africa 2014

346p.;
9780627026287
\$ 43.75 / HB

Aspects of education law provides a comprehensive description and analysis of the laws that currently inform, prescribe and influence the activities of educators and education managers, whether on the sports fields or in the boardroom, at the blackboard or behind a desk. This fourth edition of Aspects of education law places emphasis on the legal aspects that pertain to learner misconduct in South African schools, with extended chapters on human rights and school governance, and has been thoroughly updated in terms of new legislation and case law. It includes discussions of the position of the child as legal subject, the educator's duty of care and the administrative aspects of school management.

Equal Educational Opportunities : Comparative Perspectives in Education Law /
Jurgen Beckmann , J.D. Jansen

Van Schaik Publishers, South Africa 2015

289p.;

9780627026256

\$ 45.00 / HB

This interesting text is based on the papers read at the commemorative conference (held at Misty Hills in South Africa in April 2004) and critically examines the progress that South Africa and the United States have made towards realising equal educational opportunities for all. It also provides further international perspectives from Unesco and Europe. The title contains personal recollections of experiences related to equality by Judge Albie Sachs of the Constitutional Court of South Africa.

CORPORATE LAW IN CHINA-STRUCTURE, GOVERNANCE AND REGULATION / Shen Wei

Sweet & Maxwell, Hong Kong 2014

9789626614365

\$ 335.00 / HB

Corporate Law in China – Structure, Governance and Regulation examines the latest 2013 amendments to the PRC Company Law, which is considered by many as a milestone in China’s quest for what is thought to be an eventual consolidation of one single corporate law regime, applicable to domestic entities, as well as foreign invested enterprises.

Provides a comprehensive and critical study of China’s corporate law regime and the newly revised PRC Company law

- Includes an in-depth analysis of the two main types of corporations in China: Limited Liability Companies and Joint Stock Companies

Highlights the amendments made to the Company Law in 2013, including:

- New corporate finance rules abolishing the paid-in capital
- Minimum registered capital
- Installment of registered capital contribution
- Restriction on the percentage of contribution in cash
- Creation of a capital subscription system
- New practices in the Shanghai Free Trade Zone
