Amitayus Tradition of Vajrayana Buddhism : Contemplative Text,
Phenomenological Experience, and Epistemological Process / Bhiksuni Lozang
Trinlae

Vajra Books, Kathmandu 2018

xxii, 282p.

Includes Index ; Bibliography

9789937623957

\$ 25.00 / null

500 gm.

Pad-ma dKar-po's Amitayus Tradition opens fresh ground by applying phenomenological research methods to discern transformative aspects of contemplative experience using emic reports elicited directly from contemporary practitioners from the Drukpa tradition of Vajrayana Buddhism. After a thorough historical introduction and analytical presentation of the practice text Tshe dpag med zhi ba lha mangs kyi cho ga 'chi med 'dod pa'i re skong nag 'gros su bkod pa bzhugs so (Ritual of the abundant peaceful deities of Amitayus satisfying the wishes of those desiring immortality), this work portrays direct experiences of performing Kun-mkyen Pad-ma dKar-po's 16th c. ritual in a practice tradition attributed to the 12th c. female Indian teacher Siddharajñi. Preliminary spiritual care and contemplative factor models are presented along with a detailed theoretical process analysis of positive psychospiritual development through the contemplative action of the communally-enacted mandala ritual practice.

An Introduction to fauna in the Buddhist Canon -Ven. Dr. Manakada Khemananda
Much has been written on Buddhism and animal rights and yet need of a fresh study on this subject. Indeed, this work attempts to scrutinize the involvement of the fauna in the teaching of the Buddha as mentioned in canon and the commentarial works.

Heterodox Buddhism : The School of Abhayagiri / Rangama Chandawimala Thero
Rangama Chandawimala Thero, Sri Lanka 2016

xii, 247p.

9789554302600

\$ 16.00 / null

320 gm.

This book presents a comprehensive study of the Abhayagiri Fraternity of ancient Sri Lanka, with a special reference to its new Buddhist practices and trends, which made a great contribution to the development of Buddhism in Sri Lanka. It involves a consideration of both primary and secondary literary sources, and also takes into account archaeological findings, epigraphic material and liturgical artifacts. It contains a detailed examination of how the Abhayagiri School adopted heterodoxy Buddhism of other Buddhist traditions apart from the orthodox Theravada teachings and practices. The Mahavihara and the Abhayagiri both accepted the Pali Tipitaka as authoritative texts, but the Abhayagiri went a further step by accepting some non-Theravada teachings including Vaitulyavada (Mahayana) and Vajiriyavada (Vajrayana), in marked contrast to the Mahavihara ideology. A number of political, social, historical and doctrinal issues caused for this changing. Although the Abhayagiri School developed a number of new doctrinal and philosophical ideas, this work mainly focuses on the practical issues rather than its philosophical aspects.
